### **I. Presentation: Renewable and Unconventional Energy in Hawai'i**

Warren Bollmeier, Tom Loudat, and Prahlad Kasturi presented their preliminary findings on the potentials of Hawai'i's wind, solar, and biomass resources, as well as distributed generation in general, over the next 30 years. A Powerpoint presentation will be posted on our website (<http://hawaiienergypolicy.hawaii.edu>).

### **II. Forum Business**

We received funding for our Energy Summit from the Hawai'i Community Foundation. The Summit will be held December 2-3 at Neal Blaisdell Center. Anyone interested in participating on the planning committee should contact Sharon Miyashiro at 956-7070 or [sharonmi@hawaii.edu](mailto:sharonmi@hawaii.edu).

Our six subcommittees on social, economic and cultural factors are continuing their work. We may have brief reports from them at our next meeting.
