I. Presentation: Study on Liquefied Natural Gas

The FACTS Team (Jeff Brown, Fereidun and Shasha Fesharaki, and Tomoko Hosoe) presented their preliminary findings on the possibility of introducing liquefied natural gas (LNG) to Hawai'i. There are a number of factors that need careful consideration.

II. Next Meeting

Our next meeting will be on July 24, 9:00-11:00 a.m. in Room 312 of the State Capitol. ChevronTexaco will give a presentation on LNG.
