

## Hawaii Energy Forum Meeting

### **Minutes**

Hawai'i Energy Forum

November 6, 2003

### **Attendance**

#### **Forum members:**

Paul Cannizzo, Maj. Michael Chang, Albert Chee, Steve Golden, Brenner Munger, Glenn Sato, David Waller, Mike Yamane

#### **Guests:**

Shuichi Nomizu, Kevin Saito, Robert Miyasaki, Steve Alber, Dean Watase and Colton Ching

#### **Project team:**

Michael Hamnett, Sharon Miyashiro, Sam Pintz and Irene Takata

### **I. Presentation by Mr. Shuichi Nomizu of Mitsui.**

- Mitsui's activities in energy business, LNG in particular
- Mitsui's general view on LNG trade in the Asia Pacific
- Introduction of alternative fuels to LNG such as GTL (Gas to Liquid) and DME (Di-Methyl Ether)

### **II. Forum Business**

Mike reviewed the Energy Summit plans and urged people to submit names of invitees.

Our next meeting is scheduled for November 24, 2003 at the Waioli Tea Room from 10:00 a.m. to 1:00 p.m. Presentation by Kyle Datta on efficiency study.

Post-summit meeting to be scheduled for Forum members to review results of Summit for inclusion in implementation plan.
