

HAWAII GAS

Greening Hawaii's Energy

For the people of Hawaii from

THE GAS COMPANY

The Big Picture

- Hawaii is challenged to reduce its dependence on imported oil.
- Our systems have been saving oil imports since 1974.
- We offer a net energy saving that will grow.

HAWAII GAS

*Powering Our Economy,
Cleanly and Efficiently*

- We provide gas energy to consumers, business and government throughout the state of Hawaii — Oahu, Maui, Hawaii, Kauai, Molokai and Lanai.
